# 1st Inspiring Quotes

Believe in yourself and all that you are.
Know that there is something inside you
that is greater than any obstacle.
# Web Development

## TASK LIST

In web development, you learn how to build websites
and web apps. This includes HTML, CSS, JavaScript,
frameworks such as React or Angular, and server-side scripting.

# TASK 1

## AGE CALCULATOR

Create a web-based Age Calculator using JavaScript to calculate users' ages based on their submitted date of birth, month, and year. JavaScript's built-in date and time functions simplify the age calculation process, making it easy to determine someone's age.

# TASK 2

## TO DO LIST

Create a To-Do List web application using HTML, CSS, and JavaScript. Users can easily create, save, and organize their daily tasks. This app simplifies task management and provides a convenient way to track and prioritize tasks.

# SUBMISSION DETAILS

You will have to provided task submission for each task(weekly task)

It's essential for each intern to complete all the assigned tasks in 3 month. If someone completes only two or three tasks, their internship may be considered incomplete or certificate will not be provided, So Please make sure to fulfill all the tasks assigned to you and submit in Submission form to ensure a successful Internship.
